## Basic Wedding Coverage

All of our video packages provide the following quality features to enhance our presentations:

- Professional three chip digital cameras.
- All editing is performed in our studios.
- State of the art, professional non-linear digital processing equipment.
- Titles and credits outlining the details of this special day.
- A personalized growing-up video album accompanied by soft music.
- Pre-ceremony activities, such as the arrival of guests, the groom and his best man, and the arrival of the bride and her wedding party.
- Wedding ceremony coverage includes the procession, readings, nuptial vows, exchange of rings and other activities throughout the ceremony.
- Coverage of the receiving line is provided with music.
- Coverage will include all the special moments of your Reception including your arrival, introduction of the wedding party, blessing and toast, special dances, cake cutting, garter and bouquet toss, and other dances, thru to the last dance (up to 7 hours starting 1 hour before ceremony).

## Price List

Listed below are a few of our most popular wedding video packages. Select one of these or contact us for a personalized package.

### Basic Wedding Package

Our Basic (non-edited) Wedding Package consists of full video coverage, beginning one hour before the start of the ceremony. This package includes all of the features listed in the Basic Wedding Coverage, listed above. You will receive one non-edited streaming DVD master copy of your video presentation provided in an elegant video case.

### Moderate Wedding Package
